REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

2011-2012 was a year of academic excellence and outstanding achievement for the Lakewood Elementary School Community. The staff of Lakewood Elementary worked continuously on professional development to strengthen core literacy programs, implement focused small group instruction, student data note booking, as well as data teaming. The Lakewood Elementary School PTA and volunteer organizations continue to provide dedicated assistance to the students and staff of Lakewood Elementary. Lakewood is very fortunate to have such an active volunteer program whose members work very closely with our students and staff to ensure success in all academic areas. Our School Improvement Council remains an integral part of ensuring that the school continues on its path of excellence. We are extremely proud of the achievements earned this school year. Lakewood was recognized once again by the state's Education Oversight Committee as a Gold winner for general performance and a Gold winner for closing the achievement gap. Lakewood Elementary School is committed to academic excellence and we continue to value our strong community support to help each of our students reach their full academic and personal best.
